

Ridges at Sand Creek 2025 Junior Golf Camp

The Professional Staff at Ridges at Sand Creek will be conducting a junior golf camp on Monday and Wednesday mornings at 8:00AM beginning June 16th. The camp is designed to introduce kids to the game of golf and develop their skills in a fun and encouraging environment.

Junior Golfers will be required to bring their own equipment. Each student will be part of a class of 10 students and one teacher. Our program will cover each part of the golf game and swing. We will also be teaching good behavior and core values.

Participants and their family will also be encouraged to join others on select Sunday evenings throughout the summer.
